

May 2022

Dear parents and carers,

We are flying through this very quick but busy half term with lots of exciting things going on in nursery.

A huge thank you to everyone who attended our recent Story Cafes. The children really enjoyed sharing the stories and joining in with the activities and we have received some lovely feedback from parents and carers.

Our Platinum Jubilee plans are in full swing with the children busy taking part in red, white and blue arts and crafts and making flags ready for our garden parties after the half term holiday. Invitations to parents and carers will be sent out shortly so look out for those!

Our caterpillars are due to arrive at the beginning of June so that the children can watch them grow and change and we will also celebrate Fathers Day by inviting dads, grandads uncles and other special male family members into nursery for a special event.

Reminders and information

- **Can we remind parents that Nursery session times are 8.30-11.15/11.30am and 12.15-3.00/3.15pm. We ask that children are brought in on time so that they do not miss valuable learning with their keyworkers and collected promptly please.**
- **Children are offered a daily drink of milk or water during their sessions but can bring in their own bottles of plain water if they so wish. This must be plain water ONLY.**
- **If parents wish for their children to do extra sessions or stay for lunch time provision, then this needs to be booked in advance with Carmella in the office to prevent disappointment.**
- **Any money for fees needs to be handed to Carmella in the office between 8.30 and 2.30pm please.**
- **Now that we are in the Summer term, a reminder that for health and safety reasons, the children should wear shoes with closed toes for nursery please, NO sandals**

Sun Protection

As we (hopefully!) start to get some warmer weather, we ask that the children bring a sun hat from home please to wear outdoors and also that parents apply sun cream before the children arrive for nursery. 30 hours children will soon be bringing home a permission slip for staff to reapply sun cream after lunch so that the children are protected from the sun in the afternoon.

Covid update:

We have no further guidance to share with you at this time but would like to remind all parents of the latest covid guidelines as cases continue to be high within Walsall. If a child tests positive for Covid—19 they should stay at home and avoid contact with other people for 3 days. This starts from the day after they did the test. They should not come to school for these three days.

If a child feels unwell and has a high temperature they should stay off school until they no longer have a high temperature. If you have any questions regarding this then please speak to a member of staff.
