

# June 2023

**Dear parents and carers,**

**We are now in the last few weeks of term and busy planning our end of year events for all the children and their families.**

**We have been very busy with our seaside trip to Weston –Super–Mare and Fathers Day events going on in school this week. It has been lovely for the children, staff and their families to enjoy these occasions together, so a huge thank you to everyone who took part and made them such a success.**

**Our last few weeks before the holidays bring parent consultations for all of the children and then our Leavers Services for those children who will be starting primary school in September. Dates are shared overleaf but please look out for further information regarding these events in the coming weeks.**

**If you have any questions, then please do not hesitate to speak to a member of staff.**

## **Reminders and information**

- **Can we remind parents that Nursery session times are 8.30-11.15/11.30am and 12.15-3.00/3.15pm. We ask that children are brought in on time so that they do not miss valuable learning with their keyworkers and collected promptly please.**
- **Children are offered a daily drink of milk or water during their sessions but can bring in their own bottles of plain water if they so wish. This must be plain water ONLY.**
- **Unfortunately we do not have the facilities to keep the children's lunch boxes refrigerated during the school day so parents may wish to add freezer blocks to lunch boxes containing any fresh produce as the weather gets warmer if they are concerned**
- **Any money for fees needs to be handed to Carmella in the office between 8.30 and 2.30pm please.**
- **Now that we are in the Summer term, a reminder that for health and safety reasons, the children should wear shoes with closed toes and backs for nursery please, NO sandals or Crocs**

## **Sun Protection**

**As we start to get some warmer weather, we ask that the children bring a sun hat from home please to wear outdoors and also that parents apply sun cream before the children arrive for nursery. Parents of 30 hours children must return a sun cream permission slip and supply sun protection cream to enable staff to reapply sun cream in the afternoon to ensure that the children are safe outdoors. Please see Beckie Queen or Dawn if you have not yet completed a permission form or sent cream in.**

**As we approach the end of the school year, here are a number of important dates for your attention:**

**Please note that staff will begin making appointments for consultations week beginning 3rd July**
