

Dear Parents and Carers of all Nursery and Toddler children,

I do hope you are all keeping safe and well during these strange and difficult times. We are really missing seeing all of our lovely children and families each day here at Millfields.

I hope you have been able to enjoy some of our suggested fun activities at home. We have loved seeing examples of these that have been sent into school. Staff have loved being able to speak by phone, to you and your children this week. We hope you enjoyed this too.

We are now in the process of planning for the potential return of children to Millfields Nursery School, as outlined by the Government on Sunday. Of course here at Millfields our priority as always will be the safety, wellbeing and happiness of all of our children, families and staff.

With this in mind we have a detailed plan to follow this letter, which covers how we will ensure this for all children, families and staff. You will see there is a phased approach starting with our oldest children, then followed by our other nursery children and finally our toddler children.

Provision for keyworker children will remain as it is regardless of age. You will be contacted by a member of staff as we move through the expected phases. In the meantime, if you do have any questions, queries or concerns once you have read all of the additional information please email these to [postbox@millfields-n.walsall.sch.uk](mailto:postbox@millfields-n.walsall.sch.uk) and we will endeavour to reply to these as soon as possible, as I appreciate there is a lot of information to take in.

Please continue to stay safe and well and we very much look forward to seeing you all soon.

With warmest regards,

Lynne and all of the team here at Millfields Nursery School.
